

Marine Corps League Foundation

Challenge Coin Fundraiser

Coin 4 in our series debuted at the 2016 National Convention in Tulsa, Oklahoma. This coin features John Philip Sousa and is pictured above (actual size 2 inches). The sale of Challenge Coins is one of the fundraising efforts of the Marine Corps League Foundation.

Five hundred of these coins were minted and are numbered sequentially from 1 to 500. If you purchased one of the earlier coins in the series, you may have asked us to reserve this coin for you. There are also coins that have not been reserved and are available on a first-come, first-served basis. Coins are \$20 and will be sent by First Class Mail for an additional \$5 each.

We have also reminted Coins 1 and 2 without numbers, and numbered Coin 3 is also available for sale. Please refer to our website at <http://www.mclfoundation.org/ChallengeCoins.html> to see images of these coins.

To order coins, please send this completed form with your check or money order payable to the Marine Corps League Foundation to the following address:
